il Mielaceto Countess Elixir

Inspired by a secret family recipe that was passed from one generation of women to another, Mieleaceto Countess Elixir is an exquisite combination of aged balsamic vinegar from Modena sweetened with just a touch of Italian acacia honey. Equally good on meats, cheeses, and fruits. It is sweet and sour, soft and balanced, making it ideal as a condiment to flavor your dishes.

Borgo de' Medici Caramelized Figs

One of our new favorite cheese accompaniments! These caramelized figs will be the first thing gone from your Cheese & Charcuterie board this holiday season.
