

# SICKLES MARKET HISTORY WALL

We are excited to unveil our Sickles Market History Wall and Timeline, which is displayed near our store exit. Our very own in-house artist, Kerry Fung spent a month hand painting the mural and all the intricate details that went along with it. The timeline tells the story of our beginnings in 1665 and leads up to where we are today. We are thrilled to share our history with you and hope you enjoy our new mural.
